

# DONATE TO PAWS PANTRY

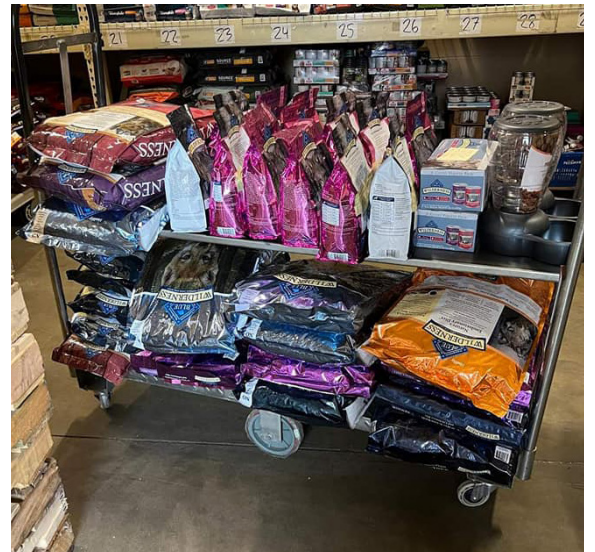

The need for dog and cat food in the DFW area ranges from local shelters to individual citizens to other 501(c) rescue groups. Paws Pantry was created to help those in our community. We rely on the community's assistance for this program's success!

We collect dog and cat food from the public and distribute the food where it is most needed. **Our goal is twofold: to provide temporary help to those in need and to prevent pets from being relinquished to city shelters due to lack of food.**

You can help by hosting food drives at your school, church, business or organization and/or donating individually at our regularly scheduled food drives.

Habitat 4 Paws also accepts metal folding crates, doghouses (new or gently used) or travel crates, which will be used at offsite events or donated to other 501(c) rescue groups. T

For questions or to o make arrangements to donate these items, please contact us at [pawspantry@habitat4paws.org](mailto:pawspantry@habitat4paws.org).

## The following items are needed:

Paws Pantry also accepts doghouses, new or gently used, in addition to medium and large travel crates that meet airline standards. These items will be donated to other 501(c) rescue groups.

## ABOUT HABITAT 4 PAWS

Habitat 4 Paws was founded and received 501c3 status in December of 2010. During 2011, we began fundraising for our medical care fund and launched Paws Pantry, a pet food bank to help other shelters, rescue groups and individuals in need of food for pets. In the spring of 2012, we launched the foster program with a handful of fosters and began rescuing pets from local animal control facilities. We placed over 1,000 rescued animals in homes since our start 2012, and have continued to grow and thrive since then finding homes for thousands of cats and dogs in North Texas.
