

Habitat 4 Paws is an animal rescue group in the DFW area whose mission is to rescue and find permanent homes for dogs and cats while caring for them in a volunteer staffed adoption facility and foster program. All rescued dogs and cats will be spayed/neutered, vaccinated, microchipped, and tested for common diseases. It is the goal of Habitat 4 Paws to do what we can to help the helpless animals in our community. Visit our website at www.habitat4paws.org for more information about our group.

PAWS PANTRY

The need for dog and cat food in the DFW area ranges from local shelters to individual citizens to other 501(c) rescue groups. Paws Pantry was created to help those in our community. We collect dog and cat food from the public and distribute the food where it is most needed. Our goal is twofold: to provide temporary help to those in need and to prevent pets from being relinquished to city shelters due to lack of food.

We rely on the community's assistance for this program's success. You can help by hosting food drives at your school, church, business or organization and/or donating individually at our regularly scheduled food drives. Contact us at pawspantry@habitat4paws.org with any questions you may have.

The following items are most needed:

- Dry and Canned Dog Food
- Dry and Canned Cat Food
- Puppy Food
- Kitten Food
- Puppy and Kitten Formula
- Kitty Litter

Habitat 4 Paws also accepts metal folding crates, doghouses (new or gently used) or travel crates, which will be used at offsite events or donated to other 501(c) rescue groups. To make arrangements to donate these particular items, please contact our group at pawspantry@habitat4paws.org.
